Delivering wholesome produce to our customers-This is our pride.

ATERET PAZ TECHNOLOGIES INC. established in 2016 is a highly advanced agricultural production company. It brings superior quality produce to the Philippines under the brand name Aba's Pardes. The company aims to be the largest supplier of premium produce by 2018 through the use of State of the art agricultural technology, seeds and cultivation techniques from Israel and Holland.

Difference between our greenhouse tomatoes and local open field tomatoes

BENEFITS OF ENVIRODOME^(R) GREEN HOUSE GROWN PRODUCE

- ◆ All year production consistency regardless of seasons or typhoons.
- ◆ Introduction of vegetables not commonly found in the Philippines.
- ◆ International varieties of vegetables, with local grown freshness.
- ◆ No antibiotics, no parabens, no toxic chemicals.
- ◆ Greenhouse vegetables tend to have higher nutrient levels than field grown crops.
